

According to immigration regulations – this employment may be an internship or job experience which is required for the degree for which academic credit is awarded.

How can I attend my school and also work full-time?

Don't worry, this is taken care of!. There are weekend classes and three days / week classes also. This way you can work & study simultaneously.

What are the job options available?

On your arrival to USA and registering with the University you will be given Social Security Number – which will allow you to find job of your choice.

What are the visa chances?

This is purely depending on the students ability to fair at the interview and the documents he / she is providing. We assist you in this by our quality processing and guiding you in mock interviews.

Can the University be changed after my Visa stamping?

Yes, it can be! There is no compulsion to stay at the University we send you.

About the work-study Program in USA

Our career advisors are experienced to guide you about US universities that allow individuals to work full-time in USA, while studying for their Masters Degree.

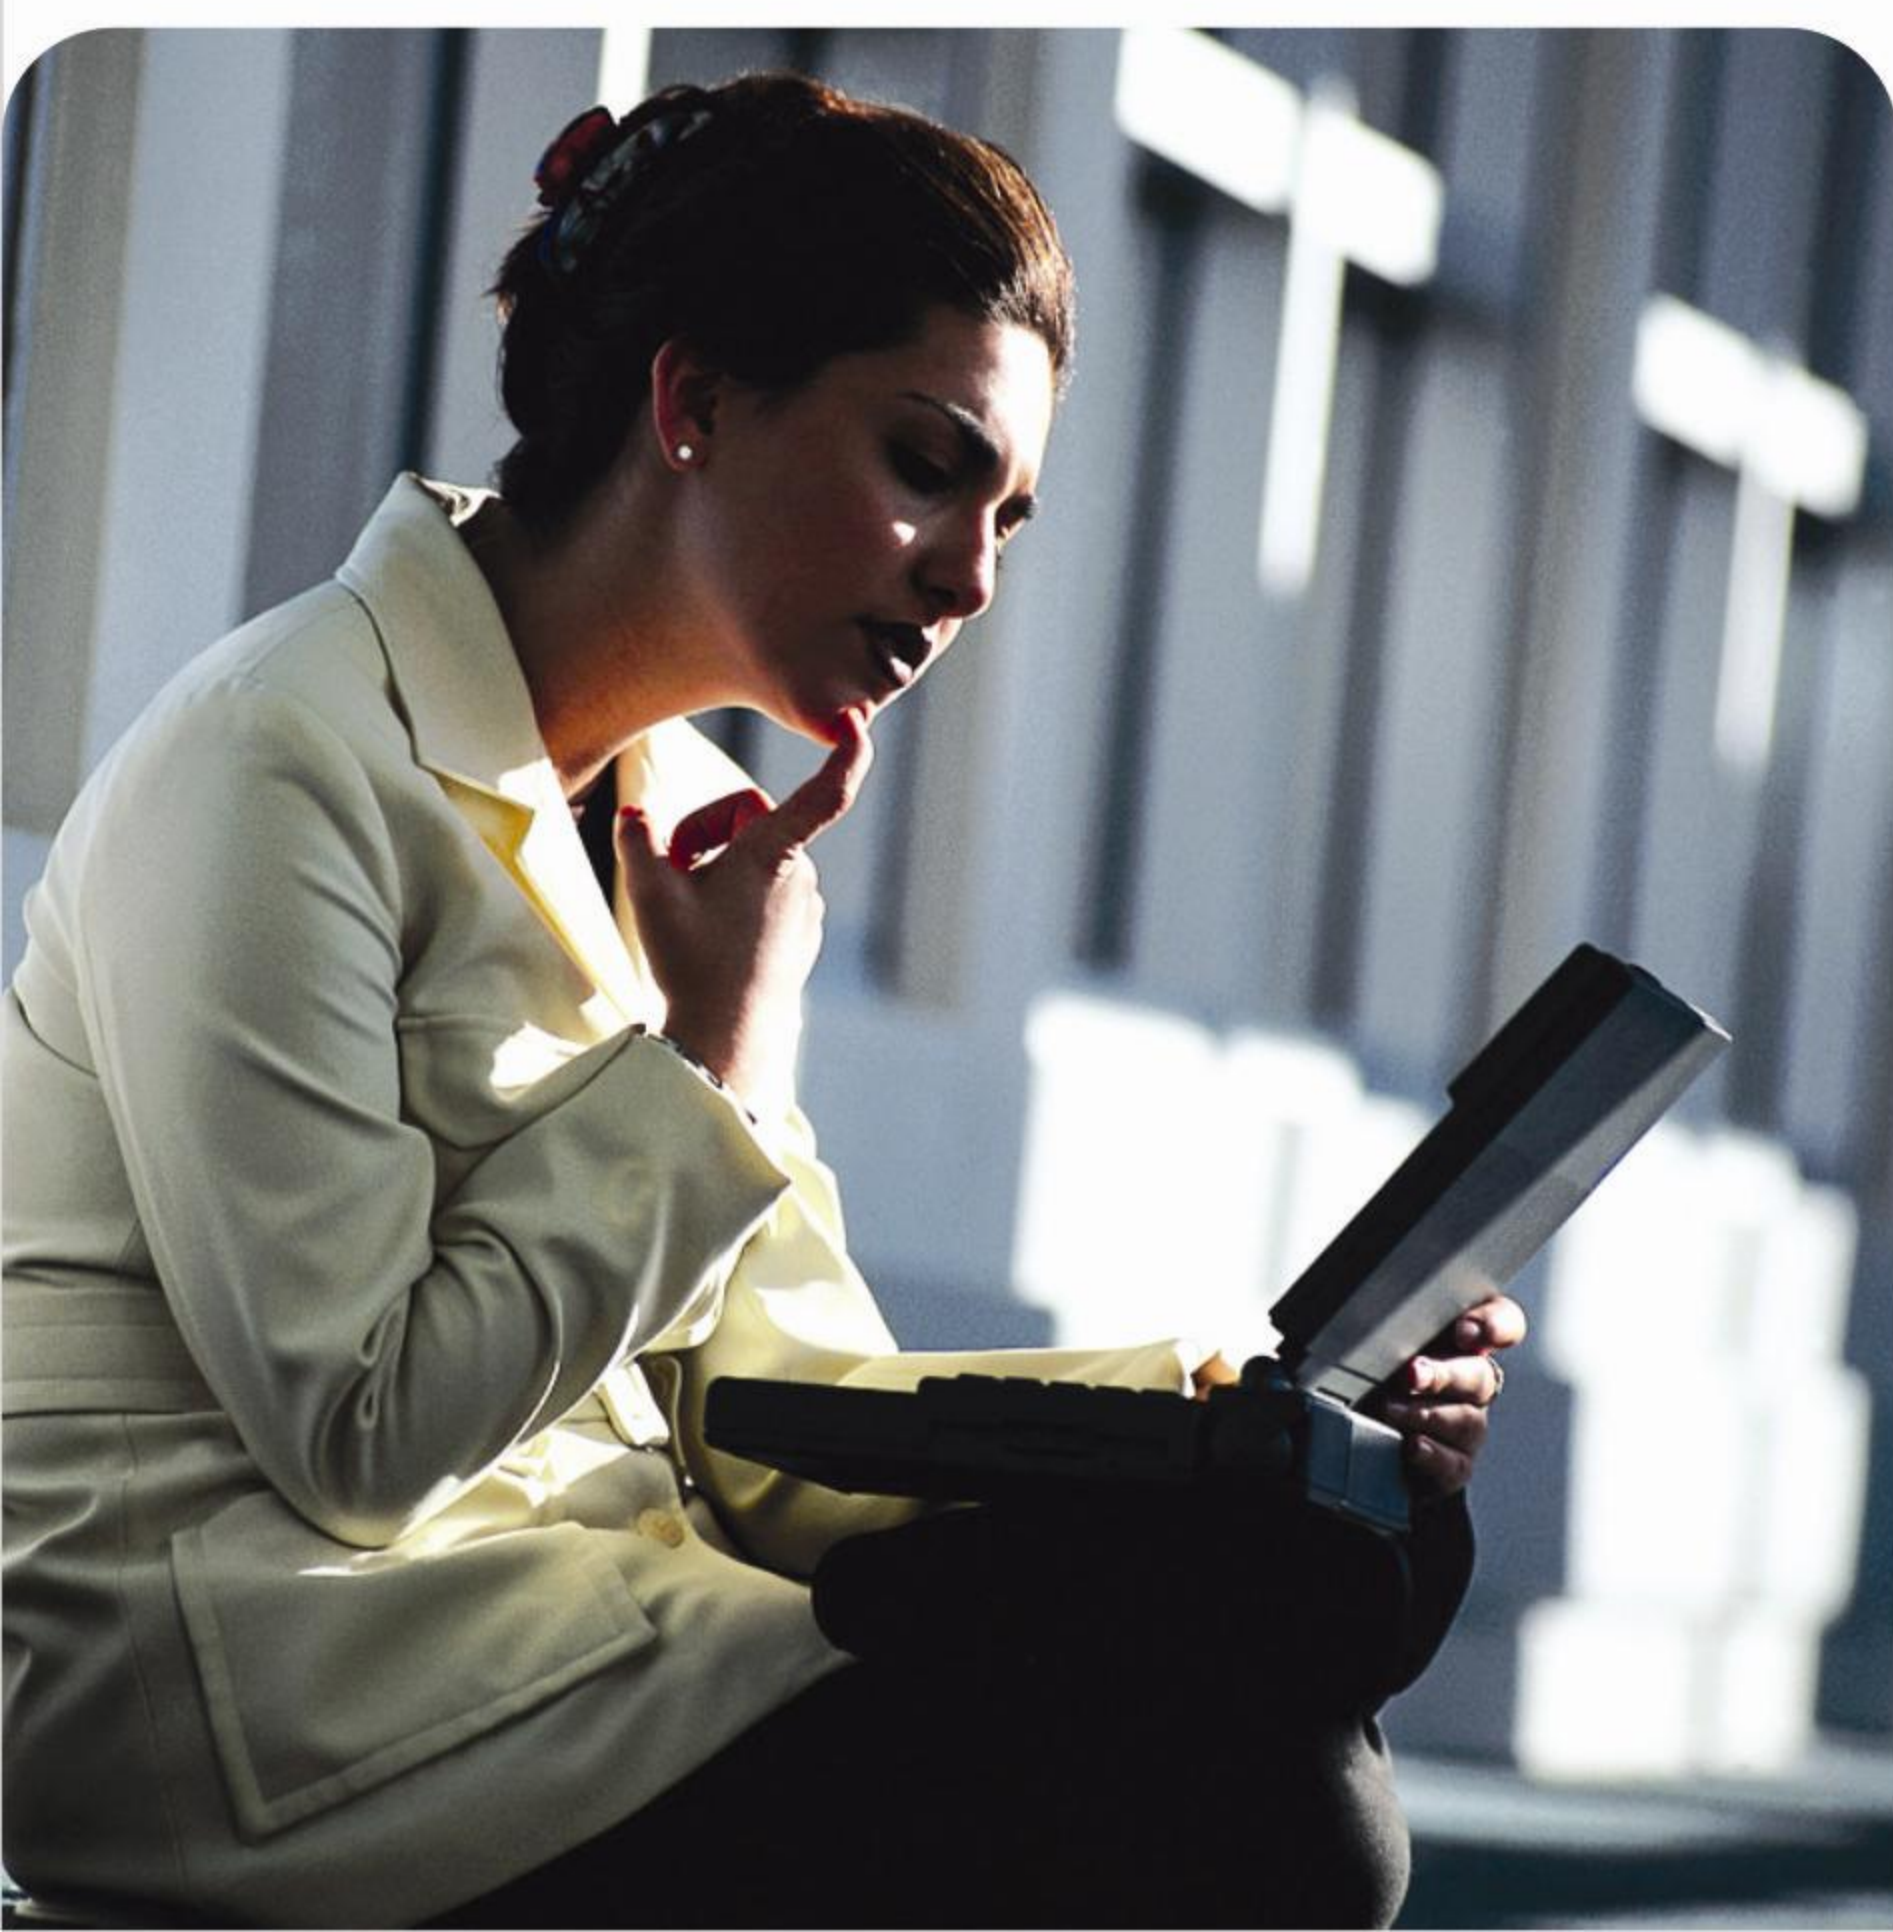

Features of the Program

- An innovative program with Curricular Practical Training module being an integral part of the course. The I-20 graded by the University shows that the program requires the candidate to work in order to complete his / her degree
- Candidate therefore enjoys the legal right to work full-time on an F-1 Visa
- Candidate studies a Masters Degree while he is working full-time
- 100% Job Assistance provided upon landing in USA
- Airport Pickup, Accommodation Assistance & Relocation orientation also provided for all
- Candidate can convert his visa to a H-1 at anytime

Advantages of the Program:

- Affordable – very low investment needed
- High probabilities of getting visa
- No job offer required
- Learn while you earn
- While studying internationally recognized Masters Degree, students can work full time on regular salary
- Good Opportunity for software, management & healthcare professionals to gain multiple skills to succeed within their respective field

Eligibility

- Excellent Command of English. TOEFL/ IELTS not required but recommended
- Hold a 15 / 16 year bachelors to support yourself for the first 3 months in USA
- Bank statement from your sponsor
- GRE/ GMAT recommended but not mandatory

How to get started?

Step 1

- Choose the University you want to apply to
- Paid on sign up – Non-refundable
- Submit your academic credentials as guided by your process consultant

Step 2

- Attend online visa course before the receipt of your I-20

Who should apply for the work study program?
